

## **New Mexico PBS Accessibility Statement for Utilizing UserWay**

### **General**

New Mexico PBS strives to ensure that its services are accessible to people with disabilities. New Mexico PBS has invested a significant amount of resources to help ensure that its website is made easier to use and more accessible for people with disabilities, with the strong belief that every person has the right to live with dignity, equality, comfort and independence.

### **Accessibility on Our Sites**

New Mexico PBS makes available the [UserWay Website Accessibility Widget](#) that is powered by a dedicated accessibility server. The software allows our website to improve its compliance with the Web Content Accessibility Guidelines (WCAG 2.1).

### **Enabling the Accessibility Menu**

The accessibility menu can be enabled either by hitting the tab key when the page first loads or by clicking the accessibility menu icon that appears on the corner of the page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

### **Disclaimer**

New Mexico PBS continues its efforts to constantly improve the accessibility of its site and services in the belief that it is our collective moral obligation to allow seamless, accessible and unhindered use also for those of us with disabilities.

In an ongoing effort to continually improve and remediate accessibility issues, we also regularly scan our site with UserWay's [Accessibility Scanner](#) to identify and fix every possible accessibility barrier on our site.

Despite our efforts to make all pages and content on our sites fully accessible, some content may not have yet been fully adapted to the strictest accessibility standards. This may be a result of not having found or identified the most appropriate technological solution.

### **Contact Us**

If you are experiencing difficulty with any content on our sites or require assistance with any part of our site, please contact us during normal business hours as detailed below and we will be happy to assist.

If you wish to report an accessibility issue, have any questions or need assistance, please contact New Mexico PBS through our [contact page](#), in-person or at (505) 277-2121.
